

GEORGIAN BARS FOR IGU

PBI, based near Paris, is a Georgian Bars manufacturer and aluminium profiles supplier since 1997.

Our company provides high-quality decorative products, tailor-made units, with spacer frames or not, ready for integration in IGU.

Our team has no limit in providing special colors or finishes, for the most original added-value windows and doors !

Market leader in France, PBI is now also a strong partner of the main IGU manufacturers in Europe and abroad.
